Spiritual Response Therapy (SRT) Online Integrated Basic & Advanced Certificate Course January 22 to February 14, 2025 (Mon. Wed. Fri. 3 hr. sessions)

Taught by **Malabika Shaw** Certified SRT Teacher since 2006

Spiritual Response Therapy (SRT) is a powerful guidance system for inner growth. It is our connection to higher consciousness that sets us on the evolutionary path of our Soul. We research our Akashic records to remove discordant energies accumulated over lifetimes that stand in the way of the Soul's Higher Purpose. SRT is a transformation tool that enables us to live freely and fully, always aligned to guidance from High Self.

Main aspects of learning Spiritual Response Therapy include:

- Understanding the nature of consciousness and how it is reflected in creation.
- Establishing a connection with the soul's higher intelligence –the High Self and clearing the pathway to the soul's purpose and fulfillment.
- Based on the principle of 'Ask and It Is Given', SRT teaches the refined 'Art of Asking' with clarity precision and faith that allows for sustainable outcomes.

Healing protocols developed by Robert Detzler forms the foundation of the SRT course. Charts based on information Robert Detzler channeled over 30 years makes SRT a very comprehensive and powerful energy healing and spiritual growth modality.
